

# Welcome to Stardew Valley!

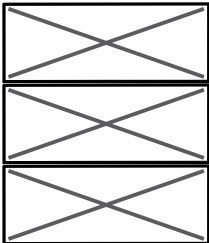

## About

Some text

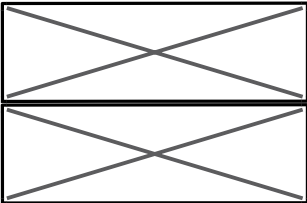

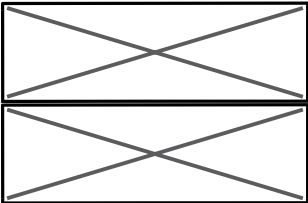

## Activities

You can go fishing, fight monsters in old mines or help the town fix the community center with themed bundles! Each unlocks unique and world changing benefits that help you throughout your journey or unlock new areas!

## The Community

The community is wonderful and supportive. Shares tons of tips on how to play the game and their unique farms. This customization is another one of Stardew Valleys most beloved features.
